No memories, only feelings.

Uh... Detective Kei Kokoku, do you have any questions where we was yesterday?
I don't know. Tsukuyo would know. I'm focusing on Kan Sakura right now.
Maybe that's true.
Mm, that surprised Kan Sakura a lot as I saw through it.
Why is this guy doing his interrogation?
Look at my profile!
Can't you feel my innocent soul?
Why is you trying to look like a criminal right now?
Usually those who can see ghosts are born with that ability.
Mmm. It's not like he did a Sixth Nine Pin ...
So...

Oh my Detective Lee.

You look exhausted.

Is your head okay? It looks like you were severely hurt from the fighting.

...It's fine.

It twists the case, there's good information should about the special term?

Ah still, throbbing pain!!

I don't think it's something to think about. Run too long.

At least for today I have a case from the Seong Myeon team.....

...Seong Myeon?

Then you were not working alone in the Seong Myeon team?

Oh Detective Lee. You don't think about working in the Seong Myeon team? Is the special term you mean?

Even so, it's the case that I'm in charge of first!

Please, be not in a position to quit up and solve simply because I have to.

Yes, if you want to Seong Myeon, do it you want to.

But you know it's not a decision that I'm going soon because of the organization, isn't that so?

You're not allowed by detective law. Rather, some recommendation or recommendation of the executive committee.

Nothing goes well, come on and something about this.

Kkuk, thoughts, hyperactive kid because such thoughts.

What do you say?

Are Professor Hyeongsik, who knows of work?

Yes, is a common term in the work place.

Do you believe? Let's stop the nonsense out. What do you want to say?

Uh.....

Yes?

What.....

What type of woman is she.....

Detective Kang, Kim Nara.....

Detective Kang, Kim Nara.....

No college graduate?

Yeah, don't think you would be.

....?

That voice.....

...!

Bom Joon Ho!

Bom Joon Ho!

Bom Joon Ho, you're here for what?

I don't know, but let's change of the subject please.

Why? Should I go to the hospital in the morning.

Ring

There is a way to get Ban Geon Mo even worse than now.

He watch with all his unguard eyes he's born in a miserable world.

경찰청 헬게이트

Should we go get his body?

What?

We can't run into him like this. So don't.

What Detective Kang!

Come here for a second.

?

?

Why are you doing?

See. Let's see who's Ban Geon Mo's master.

What? Do you go crazy Detective Lee?

What did I do?

It's obvious to you, Detective Kang.

Detective Kang. At least let tell Ban Geon Mo later, please.

It doesn't matter. But why?

No matter the circumstances, it's not good to see him. I thought tell him.

It's not like I don't know the situation we're in. Is he the one who has saved us time.....

Hm.....

It's not that you were born too naive to be a police officer.

Think what you like :)

Now that I think about it, I'm curious about what kind of character he's hiding behind.

Are you going to continue working with me?

Truthfully, Mr. Kang is not a suspicious person.

Truthfully, I'm not sure if he is a suspicious person.

I'll just ask you one thing

Is your true identity Ki Young Hwan(young man)?

Do not sure.

I haven't known him for that long either, so I can't say for sure one way or the other.

Still.

He's probably not a bad person.

...Probably.

Not a bad person.....

You're more of a normal person than I thought... Or maybe it's because I exposed you to so much dirt.

Is that a compliment or a curse?

This is no good! I should've never let you see my true colors. You are not cut out to be a detective.

Self-unguarded! I told you to take care of yourself properly!

Kang Chul Sung is so annoying like that!

You can't, Shin!

What incidents? Please tell me about the cursed bastards!

That's why our cases were stolen.

Ah, don't even say it. I'm so frustrated right now.

But in reverse order, the prosecutor who was in charge of the corruption cases. Please show the case files to me and tell me why you've gotten so many enemies from the start.

Pfft

Sigh.

Why... Do I even bother to get involved with these bastards?

Ban Geon Mo, I'm sorry to ask you this, but can you go to Kang Chul Sung once?

Does he have an important job or something?

!

Kang Chul Sung.....

I had forgotten that.

It's been such a long time.

Heh! Don't be so sad. It's not like you've been dead for a year or two. It's making me crazy.

I didn't want to remember because it was too hard.

Ban Geon Mo... Tell me what's on the top of the Kang Chul Sung's list.

I'm more afraid why that guy hasn't died before.

...!

That man...!

Disappear.
